

Proud to be accredited with ISO 9001:2015 Quality Systems *By American National Standards Institute*

Ultra Electric Company India Pvt Ltd is proud to have been awarded ISO 9001- 2015 certification, an internationally recognised standard that ensures services meet the needs of clients through an effective quality management system.

Our decision to work towards ISO 9001 accreditation demonstrates our commitment to providing a high-quality and consistent service to our clients and our ongoing investment in technology, development and processes and procedures. To become ISO 9001 compliant, Ultra Electric Company underwent an evaluation process that included quality management system development, a management system documentation review, pre-audit, initial assessment, and clearance of non-conformances, all of which work to identify corrective actions that eliminate non-conformance to the quality management standard.

Representative Features of ISO 9001:2015 Certified Company:-

- The Organization delivers products & Services that consistently meet customer requirements
- There is a continual improvement of processes and resulting operational efficiencies
- Improved stakeholder relationships
- Customer focused organization with good leadership
- Improved risk management and have a greater consistency and traceability of products and services which further means problems are easier to avoid and rectified at their end

What does our ISO 9001:2015 accreditation mean for our clients?

It means you can be assured that we are working in a proven and consistent approach where client satisfaction is at the heart of what we do.

It also shows that for Ultra Electric Company, quality is not just a concept, but a reality. Our policies and procedures document it, and our people show it in how they work and the people counting solutions we provide.

We would like to thank all our staff and clients that were involved in the audit for their support and assistance.
